GENERAL REQUIREMENTS FOR FIREWORKS DISPLAYS

Applications: All indoor and outdoor fireworks displays held within Sandy City limits require a Fireworks Permit issued by the Sandy City Fire Department An "application will consist of the following:

- 1. A completed application form.
- 2. A certificate of insurance listing one million dollars (\$1,000,000) of liability

 Coverage for personal injury, for each occurrence, and the aggregate. Sandy City Corporation <u>must</u> be named as an additional insured. The insurance documentation must be received as a copy of the original with an original signature of an authorized issuer, **or** a fax (facsimile) of the original certificate.
- 3. A diagram indicating the kind, placement, size and range of the devices.

 Include location of the discharge site and the relative distances of the fallout areas, spectator areas, parking areas, highways/roads, buildings, trees and any other pertinent information.
- 4. Documentation of the operator's (shooter's) qualifications.
 - a. Must be 21 years of age (assistant(s) must be 18).
 - b. A copy of license/certification.
 - c. Listing of recent experience.
 - d. Copy of Utah State License.
- 5. Payment to Sandy City Corporation in the amount of \$140.00.
- 6. Send or deliver completed application and required material to: Sandy City Fire Attention Fire Marshal, 9010 South 150 East, Sandy City, Utah 84070. Permit will be available for the signature of a responsible party 5 working days after the receipt of the application.

Fire and Safety Requirements:

- 1. The operator is required to ensure that a sufficient number of assistants are on hand for safe conduct of the display.
- 2. No smoking shall be allowed within 50 feet when fireworks are present.
- 3. A minimum of two 4A80BC fire extinguishers will be available within the discharge site. Need for additional extinguishers will be determined during the application process.
- 4. If high winds or other weather conditions exist that in the opinion of the Fire Marshal or Operator present a significant danger, the fireworks display shall be postponed until conditions are safe. In no case shall fireworks displays be allowed in winds exceeding 20 m.p.h.
- 5. Operators are required to notify the Sandy City Fire Marshal's office before indoor fireworks displays are to be conducted.
- 6. Fireworks displays shall be in compliance with NFPA 1123, 1995
